Dear Ms Ngcaba

NATIONAL ENVIRONMENTAL MANAGEMENT: WASTE ACT (59/2008): NOTICE OF INTENTION TO TAKE A DECISION ON THE APPLICATION FOR THE EXCLUSION OF A WASTE STREAM OR A PORTION OF SUCH A WASTE STREAM FOR BENEFICIAL USE FROM THE DEFINITION OF WASTE

BUSA notes that the list of applications published in the Gazette on 3 April for a 30-day public consultation period is not complete as several applications submitted by members have not been included.

At a meeting between the BUSA representative, Jane Molony, and yourself held on 4 April 2019, it was agreed that the errors in the list of applications would be corrected and that a revised list would be re-published as soon as possible.

This letter serves to confirm this agreement and our expectation of an imminent publication of the correct list. It is important to note that the commitments included in the Presidential Jobs Summit Agreement remain unimplementable until the exclusion list is finalised.

Attached please find the final list of applications that has been reviewed and verified (number 1 to 44) by BUSA as correct.

Please do not hesitate to contact me in this regard.

Yours Sincerely,

Olivier Serrão
